April 26, 2024

It was another busy week of learning and fun at Cedar Elementary!

Next week, Ms. Aspen and Ms. Munroe will both be heading off onto [maternity leave](#). We wish them both well with the new additions to their families. We will welcome Ms. Sarah Borman who will take over Ms. Aspen's class and Mr. Curtis Pooghkay will transition into Mr. Munro's full time IST role.

Don't forget to mark your calendars for our **PAC Spring Fling**, May 10<sup>th</sup> from 5-7pm! VOLUNTEERS ARE STILL NEEDED! If you can help from 5-6 Pm or 6-7 PM, Please contact PAC asap @ [cedarelempac@gmail.com](mailto:cedarelempac@gmail.com). Without help the Spring Fling will NOT be able to happen.

### **PARENTAL PARTICIPATION IN STUDENT PLACEMENT for the 2024-2025 SCHOOL YEAR**

We are in the process of planning the next academic year. It is important you trust the school team to build classes, which suit the students' academic and social needs. We take a lot of care in doing classroom composition for each grade. We make up each class list in a way that maximizes the quality of teaching and learning conditions for all students. The decision for placement is based on many factors, such as: balancing academic ability, levels of independence, learning styles, social/emotional maturity, and maximizing the positive learning environment for the whole class. The classroom composition for each grade has to reflect the acceptance of all individuals within an inclusive school as we attempt to provide appropriate educational programming to all children. If you have specific educational information, that you would like us to consider about your child, please contact me via email @ [carie.wood@sd68.bc.ca](mailto:carie.wood@sd68.bc.ca) by **no later than May 13, 2024**. We consider all requests, along with all other pertinent information provided by classroom teachers and support staff. Please note your request will be considered but we do not guarantee it can be honored. It does become an important part of our planning process. As teachers may change schools and grade groupings are dependent on our enrolment numbers and balancing learning needs, **please describe optimal learning environments without referring to specific teachers. We are not able to take requests for individual teachers.**
