

Welcome to the PACK!

Talent Galore!

May Timberwolves of the Month

June 31, 2024

We ended the week celebrating some hidden Timberwolf talent. Our **Talent Show** was absolutely fabulous! Huge shout out to all of the students who spent time preparing and sharing with us. It was a wonderful way to end the week!

Congratulations to the 84 students who participated in the **Zone Track Meet**. Top 4 finishers from each event will move on to the District meet June 13th. Final results will be in soon and qualifiers will be notified. We are in search of **Timberwolf school jerseys** if any family happens to come across in their laundry!

Welcome to Kindergarten was a success! If you know of a family who has yet to register for Kindergarten, please encourage them to reach out.

NLPS News - The Nanaimo Child Development Centre along with community partners have secured a grant from Inclusion BC to research services for Children/Youth with diverse needs in Nanaimo/Ladysmith area. The purpose of the community engagement is to gather data regarding what services are available to them now, what they think the gaps are and their hopes for future services. The report will be shared with Inclusion BC and it will help to inform future community services to better support children and youth with diverse abilities. The data collected from this survey will be received and compiled by a 3rd party neutral agency, Discovery Research. Please distribute to families supporting children/youth with diverse abilities, youth with diverse abilities, and service providers providing service within the scope of services with children/youth with diverse abilities. Below is the link for the survey for families, youth, and local service providers. This link will be active until end of July 2024. In addition to collecting data through this survey, we will be hosting a family event June 19th, 2024 at Tillicum Lelum (10th street location).

Thanks in advance for you participation! <https://telus.questionpro.com/nanaimo-diverse-community-services>

The Week Ahead -

* Please note that we will be having one last Fire Drill this coming week.
